

The weekly monitoring brief

Fill this in before you open any tool. Ten minutes here saves an afternoon inside a configuration screen, and the same page works on Microsoft 365 Copilot, Claude, Mistral and ChatGPT.

Built on

Owner

Date

Mission

Monitor our priority EU issue, weekly

Keywords

Democracy Shield, electoral integrity, political advertising

Organisations

Commission, Parliament, the relevant committees

Knowledge

Organisation brief and approved positions

Sources

EU primary sources plus an approved media list

Output

One page, same shape every week

Frequency

Monday morning, where scheduling exists

Boundary

Internal draft only

Human owner

A named person, not the team

The last two rows matter more than the first seven. A boundary nobody wrote down is a boundary nobody set, and a team is not an owner.
