Why we exist

PROMPTS 3 TO 3.2

- Story of self: why do we care?
- Story of us: what values genuinely connect us?
- Story of now: what choice or challenge needs attention now?
- Is every claim sourced, and every story authentic?

Who we're reaching

PROMPTS 4 TO 4.2

- Which stakeholders hold power or influence?
- Organise them by formal role, documented position and influence.
- What do our audiences need to know first?
- Who could we be overlooking, and who have we spoken to?

What we want to say

PROMPT 5

- Our slogan, in under ten words
- One approved core message for social, poster and email
- Would it make sense to someone new to us?

How, when and where

PROMPTS 6 TO 10

- A visual brief first, then visuals and video
- A seven-day rollout built around the objective
- Exposure, attention, action and outcome, measured apart
- Which languages, reviewed by fluent speakers
